

SCRAPBOOK SORTING PERSONALITY CARDS

(Clean, bold, black-and-white printable style — no clutter, no frills.)

1. MONOCHROMATIC MIND

You love:

- Calm, coordinated colors
- Matching tones
- Clean, tidy visuals
- Kits that feel unified

Your best sorting method: → Sort everything by **COLOR**. Paper, embellishments, kits, themes — keep the whole system color-driven.

Why it works: Your brain relaxes when things match. Your creativity sparks when you see a color family together.

2. MIXED-COLOR CREATIVE

You love:

- Eclectic mixes
- Bold combinations
- “Grab and go” inspiration
- Kits that feel like a story

Your best sorting method: → Sort everything by **THEME or STORY**. Birthday, travel, baby, holidays, seasons, vibes.

Why it works: Your creativity thrives in variety. You want all the pieces of a story together, not separated by color.

3. HYBRID STORY SORTER

You love:

- A little color
- A little theme
- Flexibility
- Systems that feel intuitive
